REPORT OF INDEPENDENT AUDITORS

To the Board of Directors
Davis Citizens' Coalition Against Violence

We have audited the accompanying consolidated statements of financial position of Davis Citizens' Coalition Against Violence (the "Coalition") as of June 30, 2006 and 2005, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended. These financial statements are the responsibility of the Coalition's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Coalition as of June 30, 2006 and 2005, and the changes in net assets, its functional expenses, and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated October 26, 2006 on our consideration of the Coalition's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in conjunction with this report in considering the results of our audits.

NOTE 1: HISTORY AND ACTIVITY

Davis Citizens' Coalition Against Violence (the Coalition) operates from government grants, public support, and funds received from the United Way. The Coalition's main purpose is to aid people in Davis County who have suffered from domestic violence.

The Coalition was established in 1994 as a not-for-profit organization for the purpose of constructing and maintaining a shelter where victims of domestic violence can go for safety and counseling, and to establish a program for the advocacy of victims of domestic violence. In 2004, the Coalition completed construction of a transitional housing complex for victims of domestic violence. The transitional housing is a long term option to provide the safety and security necessary to help rebuild the lives of women and children after leaving abusive relationships.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

The accounting policies of the Davis Citizens' Coalition Against Violence conform to accounting principles generally accepted in the United States of America as applicable to not-for-profit organizations. The financial statements are presented in accordance with Financial Accounting Standards Board Statement No. 117, "Financial Statements of Not-for-Profit Organizations."

Basis of Accounting

The accompanying financial statements include the consolidated accounts and operations of Davis Citizens' Coalition Against Violence and its wholly owned subsidiary, Safe Harbor Transitional Housing, L.L.C.

The Coalition uses the accrual basis of accounting. Accordingly, revenues are recognized when earned and expenses are recognized when incurred.

Support and other gifts are recorded as restricted if they are received with donor stipulation that limit the use of donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or the purpose of the restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

The Coalition reports gifts of long-lived assets as unrestricted support unless explicit donor stipulations specify how the donated long-lived assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Coalition reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES (continued)

Basis of Accounting (continued)

Restricted funds may only be utilized in accordance with the purpose established by the source of such funds. The Board of Directors in achieving its purposes and continuing the operations of the Coalition may utilize unrestricted funds.

Cash and Cash Equivalents

The Coalition defines cash and cash equivalents as all funds in banks and highly liquid investments with original maturities of less than three months.

Land, Building, and Equipment

Land, building and equipment are recorded at cost. Normal maintenance and repairs that neither materially add to the value of the property nor appreciably prolong its life are charged to expense as incurred. Depreciation is recorded using the straight-line method with a useful life of 5 to 7 years for equipment, and 40 years for the buildings. The coalition generally capitalizes land, buildings, and equipment expenditures in excess of \$1,000.

Compensated Absences

Coalition employees are entitled to certain compensated absences based on their length of employment. Vacation and sick leave do not accumulate from year to year. The coalition does not accrue sick leave benefits as allowed by Statement on Financial Standards No. 43.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Concentrations

The Coalition is located in Davis County, Utah and relies heavily on county government and individuals for support. Additionally, Utah State and federal government agencies are critically important as a source funding.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES (continued)

Reclassifications

Certain reclassifications have been made to the June 30, 2005 financial statements in order to conform to the June 30, 2006 financial statement presentation.

NOTE 3: CASH AND CASH EQUIVALENTS

The following schedule reflects the June 30, 2006 and 2005 balances of cash and cash equivalents. All cash and cash equivalents are shown at cost, which approximates market value. At June 30, 2006 and 2005, the Coalition had bank balances in excess of FDIC insured limits of \$79,887 and \$10,463, respectively.

	Interest Rate	<u>2006</u>	<u>2005</u>
Barnes Bank Checking	N/A	\$ 17,321	\$ 9,955
Barnes Bank Sweep	1.00%	<u>156,491</u>	<u>98,264</u>
Total Cash and Cash Equivalents		<u>\$ 173,812</u>	<u>\$ 108,219</u>

NOTE 4: GRANTS RECEIVABLE

The Coalition receives cost-reimbursement grants from State and Federal sources. At June 30, 2006 and 2005, the Coalition had requested \$21,111 and \$47,797 in reimbursements for costs expended during years ended June 30, 2006 and 2005, respectively. The Coalition has received all amounts from grants in prior years; therefore, Coalition management believes that an allowance for uncollectible amounts is not necessary.

NOTE 5: INCOME TAXES

The Internal Revenue Service has granted an exemption from income taxes to the Coalition under Section 501(c) 3 of the Internal Revenue Code. A similar exemption applies for state income tax; therefore, no provision for income taxes has been recorded.

NOTE 8: NOTES PAYABLE

Until May 31, 2005, there was a trust deed note secured by land to the State of Utah, Olene Walker Housing Trust Fund, for \$192,681, 0% per annum. This note was related to the 1994-95 Domestic Violence Shelters Contract Agreement. The contract states that the mortgage will be forgiven after ten years if the goals of the project had been met, otherwise a single payment of the principal would have been due May 31, 2005. No interest accrues with the note; therefore no interest expense was recorded for the year ended June 30, 2005. During the year ended June 30, 2005 the contract terms were met, the note was forgiven, and the land was deeded over to the Coalition.

**INDEPENDENT AUDITORS' REPORT
ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN
AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors
Davis Citizens' Coalition Against Violence

We have audited the financial statements of Davis Citizens' Coalition Against Violence (the Coalition) as of and for the year ended June 30, 2006, and have issued our report thereon dated October 26, 2006. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Coalition's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being auditing may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operations that we consider to be material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Coalition's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the board of directors, management, others within the organization and federal and state awarding agencies and is not intended to be and should not be used by anyone other than these specified parties.
